

OUR THEORY OF CHANGE

- The Trustees and staff of Ocean Stars Trust have developed a 'Theory of Change' to better inform the work of the Charity and understand how it is progressing towards the vision of 'a Sri Lanka where every child has equal opportunities.' We have been looking at our activities and interventions and, through our Theory of Change, have mapped our short, medium and long-term outcomes of our work.
- This process has led to better planning and better evaluation as we are able to use our limited resources in the most beneficial way and measure progress towards our Vision of a Sri Lanka where every child has equal opportunities.
 - We welcome feedback on our TOC and invite further discussion info@oceanstars.org.uk
